

RESOURCE LIST

ARABIC-SPEAKING COMMUNITY PHARMACISTS

The following individual pharmacists and community pharmacies have provided their contact information to the BC Pharmacy Association to be listed as a resource.

Bridge Clinic staff and BC Health Authorities seeking a community pharmacist who speaks Arabic may contact the individuals and pharmacies below to request assistance with refugee welcome/orientation sessions, filling prescriptions, and/or offering immunisations to new arrivals to BC.

Please feel free to contact the BC Pharmacy Association for any additional questions or resources:
